Prospectus

OBSERVATION - M.C.S. Sr. Sec. School

The term prospectus denotes the possibilities that the students may get in terms of learning understanding and communicating with the world. It also includes the possibilities that the pass outs of the school may get good opportunities in terms of excess to higher education i.e. the choice of the profession and absorption in a good center of higher education pertaining to the desired area of study. From all these angles M.C.S. Bal Vidya Peeth Sr. Sec. School promises good education and good learning programs through activities in extra Curricular as well as sports. Confidence building in each of our student individually and collectively is our deep concern.

It is therefore, each student is given an opportunity and encouragement to participate in any of the activities that the school organizes. In the house activities also the most active students generally take part, however less active students or inert students are also encouraged to participate & come forward.

COURSES AT SENIOR SECONDARY LEVEL

The School has decided to introduce Bio technology as a subject that Sr. Sec level This is on account of the fact that for last few years some parent were insisting open introduction of this course as a regular subject at Sr.Sec level. There are strong indications that stem cells treatment and other zenetic application may replace modern alopathic system of treatment

Group -A : English, Physics, Chemistry, Mathematics, Hindi or Computer or Home Science or Psychology.

Group-B: English, Physics, Chemistry, Biology, Bio Technology, Psychology, Hindi

Group-C: English, Business Studies, Accountancy, Economics or Mathematics, Computer Science.

Group D: English, Psychology, Sociology, Economics or Mathematics, Hindi or Home Science or Physical Education.

Pre-school i.e. Nursery to U.K.G.

Pre- School engagement of children below 5 years is based on the least burden of learning & interest generation in educational pursuits. Therefore, our tiny-tots from 3 years to 5 years has most cheerful engagements of 3 or 4 hours in the school. That's why even when they leave the school premises one can make out that they are as jovial while departing as at the time of their entry to the school. However English is the only medium of learning from Class Nursery to U.K.G.

Brief History

Shakuntala Shastri Educational Campus situated near Satikund (Laksar Road), Kankhal started educational pursuits in 1937 only Initially a centre of girls & women education, it has grown from intermediate college to P.G. College both for girls and women education basically on the theory of mass education.

However, with the passage of time quality education became the keynote of a good institute. It is therefore M.C.S. Senior Secondary school was established and received recognition of Central Board of Secondary Education in 2011-12 session.

All the three institutes of the campus are now recognized independently. Ever since then the M.C.S. is developing on non-commercial, non-profit basis with the only objective of creating that confidence in our students so that they can boldly face the world. Teacher student relationship is a noteworthy feature which the parents can easily evaluate.

Projector/Smart Classes:

Although neither Central Board of Secondary Education nor any other State Board acknowledges Smart Classes or Audio- Video education as the basis of educational communication. Experience has shown that Audio-Video education generates interest and quick response of students in the classrooms, only if they are used selectively and addressed by competent teachers.

M.C.S. School selectively uses audio-video communication for all the students from pre-school i.e. Kindergarten to Senior Secondary level. The school has both smart classes and projector based class rooms.

Laboratories

A very important feature of the school is pro-active laboratories of Chemistry, Physics, Biology, Computer, at Sr. Sec. level and Composite Science and Mathematics Lab at Secondary level. At Sr. Secondary level, theory is conducted in laboratories so that students could coordinate theory & practicals.

अभिभावकों से निवेदन

1. सभी अभिभावकों से यह अपेक्षा की जाती है कि नियमों के अनुपालन को सुनिश्चित करें। साफ, सफाई एवं ड्रेस कोड के अनुरूप बच्चों को स्कूल भेजे।
2. अभिभावकों से यह भी स्पष्ट निवेदन है कि जैसा वह स्कूल से अपेक्षा करते हैं कि सभी कार्यक्रम और पढ़ाई आदि सुरुचिपूर्ण हो उसी तरह से अभिभावकों को भी अपने दायित्व का निर्वाह करना चाहिये कि वह फीस बुक में जो तिथियाँ निर्धारित की गई हैं उनके अनुसार स्कूल की फीस आदि देय या तो बैंक में अथवा स्कूल के फीस काउंटर पर जमा कराये, डेबिट/क्रेडिट कार्ड से फीस जमा कराना भारत सरीकार के निर्देशों में प्राथमिकता से कहा गया है।
चूँकि ये आम धारणा बन गई है कि वैश्विक मंदी का भारत की अर्थव्यवस्था पर भी विपरीत प्रभाव पड़ा है छोटे व्यापार किसान और अन्यव्यवसायिक संस्थानों में आर्थिक परेशानियाँ दिखाई दे रही है इसलिये निर्णय किया गया है कि सभी कक्षाओं में प्रवेश हेतु प्रवेश शुल्क में 25 प्रतिशत की छूट दी जायेगी। बोरिया के लिए स्कूल की किसी भी कक्षा में प्रवेश हेतु प्रवेश परीक्षा पास करने पर 50 प्रतिशत की प्रवेश शुल्क में छूट दी जायेगी।
3. जहाँ तक सहयोग अपेक्षित है उसमें एक आवश्यक बिन्दु यह भी है कि अभिभावक यह सुनिश्चित करें कि उनके बच्चे या तो छुट्टी बिल्कुल न लें और लेनी पड़े तो तभी लें जब ऐसा करना अति आवश्यक हो। स्कूल का मूल दर्शन है कि अधिक से अधिक प्रत्येक कक्षा में अध्ययन हो, कार्यशालाओं (Labs) में सक्रिय प्रयोग हो तथा खेलकूद एवं अन्य को-करीकुलर (Co-curricular) गतिविधियों जैसे क्विज, डिबेट आदि में सभी बच्चे किसी न किसी रूप में भाग लें। किसी भी तरह से किसी भी बच्चे को स्कूल परिसर में मोबाईल फोन लाने की अनुमति नहीं होगी। यदि किसी के पास भी मोबाईल फोन पाया जाता है तो स्कूल उस अनाधिकृत मोबाईल को अपने नियंत्रण में ले लेगा।
4. अभिभावकों से यह भी निवेदन है कि अपने किसी भी बच्चे को स्कूटी आदि दोपहिया वाहन में कदाचित स्कूल न भेजें, क्योंकि पुलिस सर्कुलर के अनुसार बिना ड्राइविंग लाइसेंस के दोपहिया वाहन चलाना गैर कानूनी तो है ही साथ ही बहुत खतरनाक भी हो गया है। प्रतिदिन दुर्घटनाओं के समाचार आते रहते हैं। स्कूल परिसर की पार्किंग में दोपहिया वाहन को रखने की अनुमति नहीं होगी।
